OFFICE OF THE MANAGER, GOVERNMENT EXPERIMENTAL FARM, HEBBAL, BANGALORE.

Abstract Notification dated 12th March 1935.

Attention of the public is invited to this office Notification, dated 12th March 1935, calling for tenders for the purchase of jaggory manufactured on the Hebbal Farm. For details, please see *Mysore Gazette*, Page 522, part VI of 21st March 1935.

ARCOT DEVA RAJ,
Manager.

OFFICE OF THE SUPERINTENDENT, GOVERNMENT GARDENS, LAL-BAGH, BANGALORE.

Notice, dated 22nd March 1935.

It is hereby notified that Mango crop in the following grounds will be sold by public auction at Lal-Bagh at 10 A.M. on Tuesday the 16th April 1935.

1. Lal-Bagh.
2. Cubbon Park.
3. Kumara Park.
4. Observatory.
5. Intermediate College.
6. District Office.
7. Electric A Station.
8. Central Industrial Workshop.
9. Executive Engineer's Office.
10. Guests' Quarters Garden.

1. Each bidder is required on demand to deposit a sum of Rs. 10 as earnest money before he is permitted to bid ; this amount will be returned to him at the close of the sale, if his bid be not accepted.

2. The highest bidder who will be the purchaser should, on the spot, deposit 50 per cent of the amount due by him and pay up the balance within two days. In default thereof, the crop will be resold at his risk without his participating in any profit that may accrue.

3. The removal of the crop will not be permitted before full payment is made for it.

4. All sales held by subordinate officials are subject to the confirmation of the Superintendent, Government Gardens in Mysore, who reserves the right of accepting or rejecting any bid without assigning any reasons therefor.

5. After the removal of the crop, the purchaser should keep the place clean. Any damage done to Government property should be made good by him.

6. The purchaser should inspect the crops in the gardens previous to bidding and any complaints received after the bid, is not entertained.

7. In cases of complaints preferred by the purchaser and all other matters not mentioned here, the decision of the Superintendent, Government Gardens in Mysore, shall be final.

M. K. SITARAM CHETTY,
Offg. *Superintendent.*

OFFICE OF THE CHIEF ELECTRICAL ENGINEER, BANGALORE.

Notice dated 26th March 1935.

M. HAYATH,
For *Chief Electrical Engineer.*

MYSORE RAILWAYS.

Abstract Notification dated 22nd March 1935.

Notice is hereby given that sealed tenders will be received at the Office of the Senior Executive Engineer, Mysore Railways, Mysore, on any working day up to 12 Noon on Monday the 1st April 1935, for Constructing Staff Quarters at Seringapatam and French-Rocks.

For full particulars, please see Notification, dated 12th March 1935 on page 522, Part VI of the *Mysore Gazette*, dated 21st March 1935.

R. N. MIRZA,
Senior Executive Engineer.

HASSAN DISTRICT.

Noitfication No. C. 209—34-35, *dated 21st March* 1935.

Tenders are hereby invited for the exclusive privilege of transporting Under-bond Country Spirits in motor lorries from the Railway Station at Hassan to the several Bonded Depots, as noted below, beginning with the 1st of July 1935 and ending with the 30th of June 1936.—

(1) Hassan
(2) Belur
(3) Saklespur
} Hassan District

(4) Chikmagalur
(5) Mudgere
} Kadur District.

2. The privilege for which tenders are now invited will be conceded subject to the conditions specified in the annexed appendix and the Excise and Motor Vehicles Laws and Rules, now in force or which may, from time to time, be passed by Government or issued by the Excise Commissioner by virtue of the powers delegated to him under the Excise Laws and Rules or other competent authority, as regards rules relating to Motor Vehicles.

3. The number of casks and the quantity of spirits as also the number of special liquor and ganja cases conveyable to each depot and the distance of each depot from the Railway Station at Hassan are mentioned in the annexed statement. No definite number of casks and cases is, however, guaranteed for transport to the successful tenderer who is bound by actual requirements (be the same more or less than the number carried in any previous year).

Note.—The casks in use, range in capacity from 50 to 60 gallons each and the gross weight when fled with spirits of 35 U.P. varies from 7 to 9 maunds. The weight of each special liquor box is about 2¼ maunds. The minimum number of casks to be conveyed each time to a depot is two and the maximum six. The number of trips to each depot will be one or more per month according to the local demand.
